APEX ACADEMIC UNIVERSITY

Information Technology Acceptable Use & Wi-Fi Policy

DOCUMENT TITLE: Information Technology Acceptable Use & Wi-Fi Policy
DOCUMENT TYPE: general_handbook
EFFECTIVE DATE: Fall Semester 2025 | VERSION: 3.0

SECTION 1: NETWORK BANDWIDTH QUOTAS AND PROHIBITIONS

1.1 Campus wireless network usage is subject to a monthly data quota of 50 GB per student user account.

1.2 Peer-to-peer (P2P) file sharing, torrenting, and distribution of copyrighted materials on university networks are strictly illegal and prohibited.

1.3 Unauthorized network scanning, packet sniffing, or attempting to bypass campus firewalls results in immediate network account suspension.

SECTION 2: ACCOUNT DEACTIVATION

2.1 University email and network accounts are automatically deactivated 90 days following student graduation or formal withdrawal.
